## Letter to the Governor and the Ohio General Assembly

Dear Governor DeWine, President Obhof, and Speaker Cupp,

On behalf of the State Cosmetology and Barber Board, it is my pleasure to submit our annual report for Fiscal Year 2020. This report reflects the efforts made by the State Cosmetology and Barber Board to ensure that all persons offering barbering, cosmetology, and tanning services; and all salons, barbershops, tanning facilities, and cosmetology/barber schools have the proper minimum qualifications to provide these services to the citizens of Ohio. This report also summarizes the licensure and enforcement activities undertaken during fiscal year 2020, demonstrating the State Cosmetology and Barber Board's important influence on providing safe beauty and hair services to Ohioans. This report will provide information about the barber, cosmetology, and tanning industry in Ohio, our methods of operation, the accomplishments, actions of the agency, and the dedication of the Board members and its staff on meeting the legislative mandates of Chapters 4709 and 4713 of the Ohio Revised Code. Finally, this report provides recommendations for improving the regulation of these industries in Ohio.

The State Cosmetology and Barber Board would like to thank you for supporting a budget that allows the Board to meet its legislative objectives and address the many challenges faced by the State Cosmetology and Barber Board in protecting the safety and welfare of Ohioans through effective regulation of this industry.

Respectfully submitted,

A handwritten signature in black ink that reads "Thomas Taneff". The signature is written in a cursive style with a large, stylized initial "T".

Two positions are currently unfilled: a tanning facility owner and an employee barber. The Board is required to meet at least four times each year, but normally meets every other month. In addition to regular Board meetings, the Board has established two committees and a workgroup to improve efficiency, which permits the Board to address subject-specific issues and make recommendations to the full Board.

The Committees are:

- Curriculum Review Committee: This Committee is tasked with reviewing the curriculum standards for cosmetology, branches of cosmetology, and barber programs. Educational curriculums are reviewed to assure the programs provide the coursework necessary for students to take and pass the minimal competency examination for each type of license issued by the Board. The Committee recommends curriculum changes to the Board for approval.
- Rules Review Committee: This Committee is tasked with meeting with staff to consider new, amended, or proposed rescinded rules. The Committee may accept, reject, or modify staff recommendations. Proposed rules are sent to the full Board for consideration. The process provides an efficient review that streamlines drafting processes and results in rules that are better formulated, taking into consideration input from interested parties and regulated persons.

Additionally, one member is assigned as a Board liaison to a staff workgroup called the Administrative Review Group. The Review Group is charged with reviewing complaints, inspections, and investigations to determine if the findings warrant the issuance of a Notice of Opportunity for Hearing, or if the matter should be dismissed for legal or jurisdictional reasons.

The Review Group may review settlement agreement conditions, proposed Notices of Opportunity for Hearing to determine if the inspection report findings correlate to alleged violations, and other actions taken by the Board. The workgroup takes no action and does not conduct any business on behalf of the Board. All recommendations must go before the full Board for consideration before implementation.

### **Purpose**

The Board is a multi-dimensional agency authorized under Chapters 4709 and 4713 of the Ohio Revised Code. Under the authority established by law, the Board regulates individuals and businesses engaged in providing barbering, cosmetology, branches of cosmetology (e.g. esthetics, hair design, manicuring, and natural hair styling), boutique, and tanning services. Businesses regulated include barbershops and salons engaged in retail barbering and cosmetology services, tanning facilities, and barber and cosmetology schools.

In addition to its licensing duties, the Board routinely inspects businesses (barbershops, salons, tanning facilities, and schools) engaged in the provision of barbering, cosmetology, and tanning services. Inspectors issue reports in real-time using a web-based inspection system. Violations are noted, and businesses are required to post their inspection finding in a conspicuous place that is accessible to the public. Inspectors may issue a warning for some violations, based upon guidance established by the Board that takes into consideration the criticality of the violation. Other findings may result in the issuance of a formal Notice of Opportunity for Hearing issued under Chapter 119 of the Ohio Revised Code. Additionally, the Board also receives and processes complaints from the public. Complaints may result in a formal investigation or inspection depending upon the nature of the complaint. An investigation may also lead to the issuance of a formal Notice of Opportunity for Hearing issued under Chapter 119 of the Ohio Revised Code. In all respects, persons, including individuals, barbershops, salons, schools, or tanning facilities, alleged to have committed a violation of Chapter 4709 or 4713 of the Ohio Revised Code, or rules promulgated thereunder, are afforded an opportunity for a hearing under the applicable provisions of law.

Following an adjudication hearing, the Board may act against a licensed barbershop, salon, school, tanning facility, or person licensed as a barber, cosmetologist, esthetician, hairstylist, manicurist, natural hair stylist, or a boutique service registrant. Within the parameters of applicable law under Chapters 4709 and 4713 of the Ohio Revised Code, the Board may refuse to issue or renew, deny, suspend, or revoke a license. Additionally, the Board may also levy fines, require corrective action courses, or impose conditions on certain licenses.

If a person or facility is found practicing or operating without a license, permit, or registration, the Board may seek an injunction or appropriate restraining order for such practice in the county where the violation occurred. The Office of the Ohio Attorney General, upon the Board's request, may pursue appropriate relief through the court of common pleas in the county in which the violation occurred.

Official actions of the Board are journalized in the minutes of each meeting. Board meeting minutes are available to the public by mail, electronic mail, and a full year or more of the minutes are maintained on the Board’s website. The Board disseminates information concerning its activities, forms, notices, and Board member profiles on its state website: [www.cos.ohio.gov](http://www.cos.ohio.gov).

### Funding

The Board is self-sustained through fees generated from applications for initial licensure, renewal fees, fines, and other miscellaneous sources. The Board’s fees are deposited into the Occupational and Professional Licensing Fund, called the “4K90” fund, consisting of revenue from twenty-seven commissions and professional licensing boards. Each agency in the fund is required to generate sufficient revenue to meet its own expenses. Although the 4K90 fund serves as the funding source for the Board, it is not a rotary fund. The Board is funded through the standard biennial budget process, meaning the Ohio General Assembly establishes the Board’s biennial budget. Every two years the Board reviews licensure fees and budget requirements to determine if fee adjustments are necessary.

### Finances

Pursuant to Chapters 4709 and 4713 of the Ohio Revised Code, the Board is authorized to charge fees for the issuance of licenses or permits and to impose fines for violations of those chapters and rules adopted thereunder. Total revenue collected in Fiscal Years ending in even numbers will show a deficit in comparison to expenditure for the year due to licensure renewal activity, the majority of which occurs during odd-numbered Fiscal Years. Odd-numbered year revenue represents approximately 80% of the agency’s biennial total.

### Staffing

During FY 2020, the Board employed 45 full-time staff. The staff consists of an Executive Director, a Deputy Director, seven supervisory/administrative staff, four customer service staff, five examiners, seventeen field inspectors, three administrative action staff, six exam/licensing

staff, and two administrative/fiscal staff.

## Education

The Board is responsible for licensing private, career technical, adult, and Department of Rehabilitation programs that offer training in barbering, cosmetology, or branches of cosmetology. There are four distinct types of schools that offer educational programs in either barbering or cosmetology/branches of cosmetology: Adult Education – Public Schools, Career Technical, Rehabilitation and Corrections, and Private Schools.

Adult Education programs through a Career Technical School are programs offered by the Career Technical School as an after-hours program for adult learners returning to increase their skills in a specific career track, such as cosmetology or branches of cosmetology.

Career Technical Schools are affiliated with the public-school system offering a comprehensive educational approach to complete both primary education requirements and training in technical theory and practical skills in cosmetology or branches of cosmetology.

Rehabilitation and Corrections Schools are in Ohio correction facilities. These programs offer all training hours required to qualify for a license in cosmetology and barbering. The Ohio Department of Rehabilitation and Correction offers one cosmetology and five barbering programs in system facilities throughout the state.

Private Schools are proprietary businesses that offer education and training in technical theory and practical skills in barbering, cosmetology, or branches of cosmetology. The National Accrediting Commission of Cosmetology Arts and Sciences (NACCAS) accredits most of these schools. The Accrediting Commission of Career Schools and Colleges is also an organization that offers accreditation. Accreditation is not a specific requirement under Ohio laws and rules.

The Board currently licenses 16 private barber colleges, 1 adult education barber school, and 5 rehabilitation and correction barber schools. For cosmetology and/or branches of cosmetology, the Board licenses 88 Career Technical Schools, 57 Private Schools, 21 Adult Education programs, and 1 Rehabilitation and Correction cosmetology school. During FY 2020, 1 barber school closed in the State of Ohio and 1 school opened. Additionally, 5 cosmetology schools closed, and 3 new schools opened.

## Examinations

Examinations are offered year-round. Typically, the examination center has examinations scheduled Monday through Friday throughout the year. The examination center is designed to accommodate up to 50 practical exams and 30 theory exams per session. The examination system integrates with Ohio’s eLicense system. Results are automatically uploaded, and licenses can be issued immediately upon passing the theory and practical examinations and filing the license application. This same day service allows licensees to begin working in the industry immediately after successfully completing their competency examination for their intended careers.

### Professional Licensing

The State Cosmetology and Barber Board is responsible for the issuance and regulation of many professional licenses. In the practice of barbering, three licenses are issued: Barber, Barber Teacher, and Assistant Barber Teacher. In the practice of cosmetology or branch of cosmetology, the Board issues two types of practicing licenses: a basic practicing license and an advanced practicing license. Additionally, the Board issues an instructor license for persons seeking authorization to teach cosmetology or a branch of cosmetology, and an Independent Contractor license to persons that rent booth space in salons. Persons that lease or rent a barber chair within a licensed barbershop are required to hold a separate chair license for that service. Last, the Board issues a Boutique Service Registration, at no cost, for persons engaging in boutique services. The scope of services covered under the boutique services registration are shampooing, braiding, threading, and makeup artistry.

### Business Licensing

Beauty salon and cosmetology school licenses are issued by the Board and are designated according to the scope of practice rendered: cosmetology, esthetics, manicuring, hair design, natural hair styling, or boutique services. Barbershops are licensed to provide barber services, but other additional services, such as manicuring, can be offered at a barbershop. Barber schools are licensed to provide barbering education only. Additionally, the Board issues permits to tanning facilities. Tanning facilities, pursuant to provisions of law, must restrict access or limit service based upon the age of the person seeking to use the tanning equipment. The Board develops consent forms, conforming to the Ohio Revised Code, which clearly state the risk factors associated with tanning and skin exposure to radiation produced by UV light sources in tanning systems.
